Beach Safety - IMPORTANT...PLEASE READ

Please use caution while you are in or near the ocean. Be aware that waves, submerged rocks and tidal underflow can present hidden danger. If you are traveling with children, please remain with them at all times while you are on the beach or in the water.

Warning flags posted on the beach will inform you about the current ocean conditions. They are intended for your safety. We ask that you observe and obey them.

Check with our Recreation staff about the current water conditions before entering the water.
